Comments:

RODA® is a registered or filed trademark, owned by or licensed to TFL in most countries.

Our application recommendations are in line with our present state of knowledge. They do not, however, exempt the customer from performing his own tests to determine the suitability of the supplied products for their intended purpose. Application of the products lies outside the scope of our control and therefore comes within the customer's sphere of responsibility.

We guarantee the satisfactory quality of our products subject to our general terms of sale and delivery.
